Dear Sir:

Upon reviewing the above-identified patent, Patentee noted a typographical error which should be corrected.

Claims 7-9 were canceled during prosecution, as noted in the Telephonic Interview on 5/29/2009 and Notice of Allowability granting claims 1-6, as posted in the record. The error is therefore respectfully attributed to the Patent Office, and not the applicant, therefore no fee is due.

Transmitted herewith is a proposed Certificate of Correction reflecting the proper issuance of claims 1-6 only. Patentee respectfully solicits grant and entry of the requested Certificate of Correction.
